2008 FALL WEEK-END SCHEDULE

Because so many parents requested it, we are happy to offer "WEEK-END" classes. Classes will run 2 hours per day, Saturdays and Sundays only. This course is the same as our regular Monday-Thursday courses and will finish the students in 8 weeks. Students **cannot switch** back and forth from week-end classes to week-night classes as the schedules do not run the same.

You have the same choice as our week-night classes, between our Basic Course, Advantage Plus Program, or Classic Experience. All courses include 30 hours of class, books, pick up at home for all behind-the-wheel lessons, & a letter of certification issued by the Secretary of State. The Basic Course includes 6 hours of behind-the-wheel instruction & 6 hours of observation. The Advantage Plus Program includes 8 hours of private behind-the-wheel instruction, and The Classic Experience includes 12 hours of private behind-the-wheel instruction. The deposit for the Basic Course is \$145.00. The deposit for the Advantage Plus Program is \$220.00. The deposit for the Classic Experience is \$420.00. Students needing class only-send one time payment of \$200.00.
